

Enlarged Format Printing

With an online poster vendor, your digital photo can be enlarged to 24" x 36" with no loss of resolution or as large as 40" x 60" with a very small loss of clarity. Even larger formats are possible, but resolutions will vary among vendors. Pricing will vary between \$50 and \$75. Here are a few companies that may fulfill your larger expectations.

Poster Print Shop
Nations Photo Lab
Poster Burner
Open Prints
White Wall
