

**Curricula Share Database  
Southern PA District  
Church of the Brethren**

**Christian education leaders** in the District have asked for a way to share curricula between congregations. Nurture Commission is developing a Curricula Share Database, to be posted at the District's web site. To make this work, **we need your help!**

**Contributor's Guide**

1. Prepare a list of curricula titles of which your congregation has multiple copies and is willing to share with other congregations in the District. Use the enclosed worksheet or download the worksheet and guide at [www.cob-net/org/church/sopa.htm](http://www.cob-net/org/church/sopa.htm).

**Guidelines**

Include print or A-V curricula that:

- are Anabaptist/Pietist/Brethren compatible.
- are copyrighted not earlier than 1996. Exception to copyright rule: Brethren Press curricula that are older but do not have a more recent replacement.
- You personally recommend (don't list the "not-so-good" ones).
- Fill in all the information.

Submit updates (new titles, old titles no longer available) anytime.

Note: All titles are subject to review and may not be included on the database at the discretion of Nurture Commission, District Staff or the Congregational Resources Consultant.

2. Send list to Georgia Markey - [gmarkey@brethren.org](mailto:gmarkey@brethren.org) - 717.624.3865
